Re: United States v. Pedro Espada Jr., et al.
Criminal Docket No. 10-985 (FB)

Dear Counsel:

After discussions with Ms. Necheles's paralegal, I understand that you have not been able to access some of the files on the discs marked "AG," provided in discovery on January 7, 2011. We believe we have resolved the technical problems with the discs and have enclosed new copies of the two discs. If there are still technical problems with accessing these files, please inform us and we will produce them to you in another format.

In addition, we expect to provide additional discovery to you in the next two weeks and on a rolling basis. If you have any further questions or requests, please do not hesitate to contact us.

Very truly yours,

LORETTA E. LYNCH
United States Attorney
